- 230 u.5/ Mae Hong Son/ Mueang/ Pang Mu 58000/ Thailand
- [mimyar2@gmail.com](mailto:mimyar2@gmail.com) • +66 639927507

I am a creative, practical, and patient person with a strong interest in technology and problem-solving, aiming to major in Computer Science. I am passionate about overcoming challenges and developing solutions to help others. My goal is to become an IT professional and share knowledge to empower individuals and communities in using technology effectively.
